

## 'Dorset 100' Leg 11

We walked Leg 11 of our Scouting Centenary challenge on Saturday 10 November, adding a further 17.5km to the total distance. Congratulations to Matthew who became our first Scout to reach 200km part way through this walk. Thank you to Lorraine for accompanying the walkers over the same distance. This leg was due to be repeated on Sunday 18, but had to be cancelled due to bad weather.
