

District Awards - October 2004

Twice a year our Scout District holds a formal award ceremony for all the scouting sections and adults. This ceremony is intended to decorate the highest achievers, most importantly the Beavers, Cubs and Scouts with their Chief Scouts Awards. These being the highest awards available for each section.

A great achievement all round

This time we had many boys and girls attending this most prestigious of events. We were the only group to have members receiving Bronze (Beavers), Silver (Cubs) and Gold (Scouts) awards.

5 Beavers recieved their certificates at the presentation.

Gold Chief Scout Award

1 Cub and 3 Scouts (who had qualified for the award prior to joining scouts) received their Silver Chief Scout Awards. Two of these were our first girls to receive a Chief Scout Award.

Adult Awards

As a surprise to everyone except a select few, two of our adult helpers received the Thanks Award, recognising their work and commitment for the group. This year Geoff Bacon (former Scout Leader of Longham Scout Group) awarded this to Andy and Carol for the years of help they have provided.
